

Mosier Fire Log

February 2013

<u>CALL SUMMARY</u>	FEB	YTD	<u>2/12</u>	<u>12 YTD</u>	<u>2/11</u>	<u>11 YTD</u>
MEDICAL:	4	13	0	9	4	10
FIRE:	3	5	0	1	2	2

Medical calls in February:

- **Cardiac arrest**, downtown Mosier, on scene in four minutes.
- **Suicide by gunshot**, off State Road, on scene in eight minutes.
- **Rib pain**, downtown Mosier, on scene in five minutes.
- Possible **knee fracture**, downtown Mosier, on scene in seven minutes

Fire calls in February:

- **2/5**: Report of a **vehicle crashed** into Mosier Creek near Digger Road. On scene in eleven minutes. Driver self-extricated, no injuries. No further action taken.
- **2/10**: Report of **white smoke**, Proctor Road area. Using witnesses contacted by phone, Chief Appleton was able to determine within seven minutes with reasonable certainty the report was of authorized controlled burning. Soon confirmed by a fire fighter on the ground.
- **2/14**: Report of **fire on roadside**, Wilson Road. On scene in five minutes. Authorized controlled burn. No further action taken.

January 2013

<u>CALL SUMMARY</u>	JAN	YTD	<u>01/12</u>	<u>12 YTD</u>	<u>01/11</u>	<u>11 YTD</u>
MEDICAL:	9	9	9	9	6	6
FIRE:	2	2	1	1	0	0

Medical calls in January:

- **Respiratory arrest**, Root Road, on scene in eight minutes. At 4 AM.
- **Difficulty breathing**, downtown Mosier, on scene in eleven minutes.
- **Hip pain**, downtown Mosier, on scene in four minutes.
- **Abdominal pain**, Rock Creek Road, on scene in twelve minutes
- **Chest pain**, downtown Mosier, on scene in six minutes.
- **Diabetic issue**, Rock Creek Road, on scene in six minutes.

- Possible **fall victim** (false alarm), downtown Mosier, on scene in four minutes.
- **Chest pain**, Memaloose rest stop east bound, on scene in six minutes.
- **Possible stroke**, downtown Mosier, on scene in ten minutes.

Fire calls in January:

- **12/30: Chimney/flu fire**, downtown Mosier, on scene in eleven minutes. Fire out on arrival, and no extension into the structure. Advised occupants to have stove inspected, to install a carbon monoxide alarm, and to avoid hot, fast fuel.
- **12/31: Vehicle crash**, westbound I-84 at milepost 69.5, on scene in 18 minutes. Called to a report of a single vehicle through the guard rail and “flipped into the river,” with a report of entrapment. Due to poor weather conditions, Mosier units had a slow activation and were kept away from the scene, which was well staffed. A seven-year-old boy died in the submerged vehicle. Indications are that speed and transient icing conditions in the left travel lane contributed to the crash.

FIRE DISTRICT ELECTION

Three positions on the Board of Directors of the Mosier Fire District will be up for election on May 21, 2013.

The Board of the Fire District meets monthly on the second Thursday. The Board's job is to review and set policy and the budget.

Eligible interested parties are encouraged to run.

Anyone who at the time of filing A) owns real property in the Mosier Fire District, or B) is registered to vote in the Mosier Fire District, may file for nomination.

Nomination period is now open and closes March 21, 2013.

Forms are available at the Fire District office and from the Wasco County Clerk (541-506-2530), and on-line at the Oregon Secretary of State's web site http://www.oregonvotes.gov/doc/publications/forms/100_candidate_filing/SEL190.pdf

If you have further questions or comments, please contact the Fire Chief at 541-478-3333, or the County Clerk at 541-506-2530.

Burn Permits:

Mosier Fire Chief has mailed new burn permits to anyone who had one in 2012. The new permits are valid through 12/31/2013. If you need a burn permit, or if you think we forgot to mail yours, please call the Fire Chief at 541-478-3333.

All burning in the Mosier Fire District requires a valid permit, year-round.
