## **Fire / Rescue calls** in June:

- **6/8: Vehicle crash, no injuries**, mid District, on scene in six minutes.
- **6/13: Burn barrel after hours**, Rocky Prairie. No initial response due to radio issues and low staffing. Responsible party later advised that burn barrels are allowed before 11 AM through end of the month.
- **6/25: Grass and brush fire**, Rowena overlook, canceled en route. Fire started by legal fireworks set off near dry grass. Stopped by Mid-Columbia Fire and Rescue personnel, at about ¼ acre, thanks mainly to light winds.
- **6/29: Tree on fire**, Hood River Road, on scene in seven minutes. Caused by lightning, the fire was out on arrival due to heavy rain. Oregon Department of Forestry monitored this tree for several days.
- **6/29: Smoke report**, Hood River Road, on scene in nine minutes. A second lightning-strike half a mile from the first one and near homes, called in about six hours later. This one resulted in a small creeping ground-cover fire approximately 50 x 100 feet. Mosier unit stopped the fire spread with a shovel and ODF personnel then extinguished.
