Budget Meeting:

Phil moved to designate Chief Mike Renault the Budget Officer. Barb seconded. The motion passed unanimously.

Chief Renault stated that he would have a rough draft of the budget available at the next meeting. There was discussion about what the legal requirements are for making the draft available to the public. It was decided to post the draft budget on the website as allowed, and that Phil and Mike would look into the regulations. Last year's budget will be available on the district website.

The subsequent meetings were set for

April 27

May 18

June 8

June 29 as needed.

The budget must be complete by June 30.

Chief Renault stated that next year's budget will look very much like this year's budget. He is not anticipating anything out of the ordinary. He stated that he may ask the bookkeeper to attend some of the budget meetings in case of questions.

The budget committee discussed whether to hold meetings in person, by zoom, or hybrid. More people prefer the zoom option and at this point the CDC has only relaxed restrictions for private gatherings of vaccinated people vs public meetings so for now the meetings will remain online.

Adjournment. 18:37
