The purpose of this meeting is to approve the budget and tax rate. The budget is the same as presented previously, except that the Board voted a 3% salary increase for the Chief, so the line item for his salary and payroll taxes increased by 3%.

Phil moved that the Budget Committee approve a tax rate increase from \$1.65 per \$1000 to \$2.00 per \$1000 starting with the 2022-23 tax year.

Joanne seconded.

7 in favor, none opposed.

Phil then moved that the budget committee approve the 2022-23 budget as has been proposed and reflected in the LB-1, and that the budget committee submit that budget to the Board for adoption.

Joanne seconded.

There was some discussion about how the salary increase was handled in the budget forms and it was confirmed that it is reflected in the LB-1.

7 voted in favor, none opposed.

The meeting adjourned at 18:07
